I Can't Login In to My Router Using Default Username and Password for my Netgear - [Solved]

2019/09/15

I am in desperate need of help.:(I need to access my router in order to port forward a server. When I go to the log in screen, the default username: admin and the default password: password will not work! I use a Net-gear router and every website says to use those two words. I need help fast so any help would be GREATLY appreciated!
